

**Rainbow Community Care  
Infection Prevention Strategies**

*(Updated 02/27/2024)*

Rainbow Community Care provides safe and quality care to the communities we serve. We follow evidence-based infection prevention practices. If you have questions about our policies, please contact us at (920) 674-6255.

Please reschedule your visit to the Rainbow Hospice Care Inpatient Center or patient residences if you are feeling sick, have a known exposure to, or have tested positive for COVID-19.
